Garrard County Water Association (Garrard Water) has petitioned the Commission for an extension of time in which to file its answers to the data request of Commission Staff and to hold an informal conference to discuss the questions raised in the data request. On April 24, 2003, an informal conference was held at the Commission s office. Attending the informal conference were Commission Staff, Garrard Water, and the Complainant. At the informal conference, Commission Staff received the information previously requested from Garrard Water by data request; therefore, Garrard Water need not answer Commission Staff s data request.

IT IS THEREFORE ORDERED that:

1. Garrard Water s motion is denied as moot.
2. Garrard Water need not respond to the data request of Commission Staff.
